The object of the artprotect™ program is to assist owners of art in their loss control efforts. The recognition of this warehouse and/or the specific location is purely advisory and based on conditions observed and information made available to a qualified surveyor at the time of the risk assessment survey. While the surveyor has endeavored to discover those unsafe acts, conditions or circumstances which could contribute to a loss, it cannot be assumed that they have detected every potential hazard, nor does this assure compliance with any supranational, national, state, provincial, municipal or other local code or law. We recommend that institutions or persons considering the use of this facility undertake their own due diligence. We assume no responsibility for updating any information to reflect changing conditions. In no event will GRASP or our agents have any liability for any special, indirect, incidental or consequential damages arising in any way as a result of your reliance on this information. The issuance of this certificate by GRASP shall not be construed as indicating the existence or availability of coverage under any policy for any property or type of loss or damage.
